§ 222.22 How does the Secretary treat compensation from Federal activities for purposes of determining eligibility and payments?

(a) An LEA with an otherwise approvable application is eligible to receive assistance under section 8002 for a fiscal year only if the LEA meets the requirements in subpart A of these regulations and § 222.21, and is not substantially compensated, for the loss in revenue resulting from Federal ownership of real property by increases in revenue accruing to the LEA during the previous fiscal year from Federal activities with respect to the eligible Federal property in the LEA.

(b) The Secretary considers that an LEA is substantially compensated by increases in revenue from Federal activities with respect to the eligible Federal property if—

(1) The LEA received new or increased revenue during the preceding fiscal year that is generated directly from the eligible Federal property or activities in or on that property; and

(2) The revenue described in paragraph (b)(1) of this section equals or exceeds the maximum payment amount under section 8002(b) for the fiscal year for which the LEA seeks assistance.

(c) If an LEA described in paragraph (a) of this section received revenue described in paragraph (b)(1) of this section during the preceding fiscal year that is less than the maximum payment amount calculated under section 8002(b)(2) for the fiscal year for which the LEA seeks assistance, the Secretary reduces that maximum payment amount by the amount of that revenue received by the LEA.

(d) For purposes of this section, the amount of revenue that an LEA receives during the previous fiscal year from activities conducted on Federal property does not include the following:

[60 FR 50778, Sept. 29, 1995, as amended at 62 FR 35414, July 1, 1997]

§ 222.23 How does a local official determine the aggregate assessed value of eligible Federal property for the purpose of a local educational agency's section 8002 payment?

(a) The aggregate assessed value of eligible Federal property for the purpose of an LEA's section 8002 payment must be determined, by a local official responsible for assessing the value of real property located in the jurisdiction of the LEA for the purpose of levying a property tax, as follows:

(1) The local official first determines a fair market value (FMV) for the eligible Federal property in each Federal installation or other federally owned property (e.g., Federal forest), based on the highest and best use of taxable properties adjacent to the eligible Federal property.

(2) The local official then determines a section 8002 assessed value for each Federal installation or federally owned property by adjusting the FMV established in paragraph (a)(1) of this section by any percentage, ratio, index, or other factor that the official would use, if the eligible Federal property were taxable, to determine its assessed value for the purpose of generating local real property tax revenues for current expenditures. In making this adjustment, the official may assume that there was a transfer of ownership of the eligible Federal property for the year for which the section 8002 assessed value is being determined.
